FAST FOOD FUCK-FEST

The night a wild dude met an even wilder chick

I have a great, easy way to pick up girls—and I don't even have to get out of my car.

There are literally hundreds of beautiful, young chicks working at fast-food restaurants. They work after school, at summer jobs, and even use it as a way to put themselves through college. Work is very boring for these sexy young creatures. They crave excitement and I try to give it to them. I like to flash them.

For as long as I can remember, I've enjoyed rubbing and playing with my dick while I drive. It passes the time while going back and forth to work, and it's harmless—it was, until I discovered the fast-food angle. Before that, no one had actually seen me do it.

I was on a weekend trip to Birmingham when I made my discovery. I was barely out of town when I got hungry, so I decided to stop for a burger and fries to go.

Dressed in shorts and a t shirt, I played with the head of my dick as it peeked from the leg of my shorts. The young lady at the window was a real doll. She was about 19, with auburn hair and a set of tits that challenged the flimsy material of her uniform. She had sparkling blue eyes. It was late afternoon and she had the take-out window to herself. She told me the burger would take a minute.

Suddenly I noticed a smile on her face: her eyes were locked on my lap. I froze. Without realizing it, my cock had grown to full hardness. I guess it was that way because of her big boobs. I couldn't stop looking at them.

Her lips moved, but she didn't talk. She was saying, "More!" She wanted to see more, but she didn't want anyone to hear or see. I nodded and pulled the leg of my shorts back a little. About half of my stiff joint was visible. She smiled and licked her lips.

I was glad that business was slow. There were no cars behind me and she had no walk-in customers inside the restaurant. She made a tiny up-and-down motion with her hand; she wanted me to stroke it for

her. I couldn't believe my luck. My heart was beating a mile a minute. I was scared, but too excited to resist.

I pulled the leg of my shorts all the way back. My dick stood straight up as I wrapped my hand around it and began jerking off for my fast-food cutie.

With one hand she rubbed her left tit. Her other hand was out of sight, below the window. I knew she was fingering her sweet pussy. It was driving me crazy. I was ready to come.

Suddenly a bell rang. There was a car behind me and the driver wanted to place an order. My cutie immediately became very businesslike.

"Sir, it will be a few more minutes. I'm sorry for the inconvenience. If you pull up to a parking space, I'll bring your order to your car."

I was disappointed, but did as asked. It was ten minutes before she came back with my order. The driver in the car behind me had been served and was gone. The parking lot was deserted. When I saw my cutie waitress with the order, I left my cock in full

That's when I noticed that three of her uniform buttons were open. As she leaned over, her pink-nippled breasts were only a few inches from my mouth.

view as she approached the window of my car.

"Here's your order, sir," she smiled and looked directly between my legs. She seemed happy that my dick was still out in the open. Since I had already paid for the food, I was at a loss as to what to say. "Thanks" was my only reply.

"Come again, sir," she said with a twinkle in her eye. She didn't turn to leave, but instead rested her arms on the window and waited.

That's when I noticed that three of her uniform buttons were open. As she leaned over, her pink-nippled breasts were only a few inches from my mouth.

Without an invitation, I put my arm on the window and slipped my hand into the opening of her uniform. Her tits were hot and soft. The nipples quickly hardened under the tip of my thumb.

She reached into the car and squeezed the tip of my cock. Drops of clear pre-cum stuck to her fingers. She put a sticky finger to her lips and licked it clean. Before I could go any further, there was a sudden rush of cars driving into the parking lot. Business was

picking up. She quickly stood, buttoned her blouse and turned to leave.

"Gotta go," she said. "The boss will get mad. Come back later. I get off at 10."

I watched as her firm, round ass wiggled as she ran back into the store. The hours dragged by as I waited for the time I could go back and pick her up. I arrived almost an hour early. I decided to go inside and have a cup of coffee while I waited. I wanted to be sure she knew I was there.

Only she and an older woman were behind the counter. The girl smiled, but didn't say anything. I took my coffee to a table in a deserted section at the back of the store.

There weren't many customers at that time of night, just two older ladies whispering recipes to each other and a tired-looking husband with a nagging wife and four kids, all eating ice cream and raising hell.

I perked up as I saw my girl come out and start cleaning tables. Slowly but surely she worked her way back to my table. I enjoyed the wiggle of her tight young body as she filled the salt, pepper, and napkin containers. When she bent over to wipe a table, her ass poked out in a position that had me crawling up the walls to run up and plug in.

I didn't do that, but I did play with my hard-on under the cover of the table. When she got to my table, I was surprised to discover that those same three buttons were open again. I could see her large boobs swinging free as she worked.

She spent an unusual amount of time on the table directly opposite mine. Her attention was not on her work. She was watching me stroke my pole as she kept licking her lips. She was a total sexual animal.

Finally she began working on my table. She quickly filled the bottles and began wiping the table. Then she leaned over and wiped the plastic seat across from me. But it wasn't until she leaned over to wipe the seat that I was sitting on that she almost blew my mind.

Right in the middle of a restaurant, with a family eating ice cream, the little vixen leaned over and put her mouth over my erect organ and began sucking

She stood there with her blouse open, her naked tits begging me to come and suck them.

each finger until the taste was all gone. Her flavor was maddening.

Next, she pulled her hand from my lips and slipped it around my neck. The soft touch of her fingers on my neck, as she pulled my lips to hers, sent shivers down my spine. Her hot tongue probed eagerly around my mouth as she savored the taste of her own pussy.

She crushed her pussy against my cock and moaned as we dry-humped in the hallway. I wanted to fuck her—right there on the floor. But it was so public.

I quickly discovered that it wasn't my time to make a decision. She pulled free, turned her back to me, dropped her pants to her ankles, and bent over. Her perfectly shaped butt stared back at me.

"Can I take your order, sir?" she whispered as she looked over her shoulder and wiggled that tempting ass.

"One pussy to go!" I gasped. "All the way!"

"This is self-serve, sir," she giggled, as I dropped my shorts and plunged my tool into her steaming box. She went wild as I plowed in and out of her slippery cunt.

Much sooner than I had wanted she began to groan, pant, and shake as the first wave of her orgasm hit. Her cunt began milking my excited cock as the hot-blooded sexpot came again and again. "Now! Now! Give it to me!"

I lost control. The hot seed gushed from my twitching pole and splashed around within her sucking cunt walls. My knees felt like syrup. It was the wildest sex I've ever had. I came for what seemed like an eternity. Finally, we recovered and dressed. I waited in the car until she finished work.

I spent the entire night fucking her. The sex was good, but not even close to the erotic encounter we had in that hallway.

She has a wild imagination. She says she wants to get me, herself, and a new girl together in a threesome. It might take a while, but I'm patient. It will be worth the wait for some more fast-food sex.

me off. It only lasted a few seconds, but it was the wildest feeling I'd ever had. I wanted to come, but I held on.

She stood and licked her lips and smiled. Still, she didn't speak; somehow it was better that way. More exciting and more mysterious. She cleaned two more tables very quickly and headed for the door that led to the bathroom.

My eyes didn't leave her for a second. She signaled me to follow her as she entered the hall. I tried to walk calmly. My knees were weak, my dick ached for release. I could only wonder what the little minx had in store for me next.

I opened the door and was amazed. She stood there with her blouse open, her naked tits begging me to come and suck them. She slipped a hand down under the elastic waistband of her pants. There was a steady movement as she fingered her hot snatch.

I closed the door, and even had enough sense to push the button to lock it. Then I walked over to her. I was in a trance; I knew it must be a dream. I was afraid that I would wake up at any moment.

I took her wrist and pulled her hand out of her panties. Her long, slim fingers were wet with her sweet love juice. I put her hand to my lips and licked

Nikki is one of the toughest teachers at her college. But she's got a softer side for her athletic and under performing male students.

Who wouldn't trade a night with her for a passing grade? Such delicious, busty breasts you wouldn't hesitate to suck on. An ass so big you could spank it for hours, and it still wouldn't have enough hand prints. A pussy so tight you just might get stuck in it for the rest of the day.

My boss and I had been seeing each other secretly for a while now, so I couldn't resist pouncing on her before she got to her car. I knew we were going to have a quickie just from how passionately she was exploring my body. She got in the zone, so I playfully turned on a nearby water hose. She got dripping wet! I'm glad she thought I was being cute, too, because she made me cum AND let me eat her out!

How a man's sexual fantasies help make him better in the sack

"You'll never ass-fuck another like me," promised Diana. She bent over, pulling apart the cheeks of her ass, opening her anus up to me. Then she reached backwards with her right hand and shoved her middle finger inside her, pushing it in and out.

Her invitation had me instantly unzipping my pants. As soon as my cock bounced nakedly in the air, she groaned at the size of my tool. I could hear her wincing as my fingers held the sides of her ass while my thumbs touched the outer rim of her anus. Pushing slightly inward I separated her cheeks, pulling until a black hole was tantalizingly targeted before me.

The sounds of her teeth gritting turned me on even more. This woman knew all the little tricks that could drive a guy crazy. When the tip of my cock touched the taut exterior of her asshole, I merely gave a slight push and slipped easily inside her. She'd been right: this would be the ultimate ass-fuck.

I took it slowly, easing my way up her ass as her walls slid open, responding to the pressure of my cock. From deep in her gut I could hear her groans beginning. With her leaning over I could plainly see my dick violating the opening to her body as I slid deep inside. She was so tight, so hot. It was a totally different feeling from fucking a pussy. Each inch of me was gripped more tightly than any pussy ever had, a grip that never let up.

Her ass rotated, pushing back

into me. My thrusts lengthened and quickened. The combination of pain and pleasure drove her wild. Her mane of hair shook wildly from side to side. Her moaning intensified. It was unreal; she was coming from being fucked up her ass.

I was coming too. As my hot cum shot into her she pounded the wall with her tiny fists, unable to control herself. When my final wad was lobbed into her she begged me to pull slowly out of her. I did, my cock sliding free like the long cork of an expensive bottle of champagne. There was even a small pop as the suction of air trapped inside of her was released.

She turned around and hugged me, pressing her ample breasts

against my chest. "Let me spend the night with you," she asked.

Suddenly I was alone, my libido totally blown away. My hand released its tight grip on my now flaccid penis that aimed toward the large wad of semen on my stomach. My mental images of Diana disappeared, my sexual hunger satisfied.

It made my life very simple, knowing that whenever I was horny my imagination would immediately find the right girl to please me. I never would have to settle for second best or for whatever came along. My imagination wouldn't allow me anything but the best.

This released all the sexual pressures I'd once felt. Pressures like first finding an attractive chick, then

BLAIR-NTS-00

wondering whether she would be into what I was. These questions were now moot. All I had to worry about was me.

One of my more outrageous dream babes is Leslie. She lived in the hugest house at the outskirts of a town in Nevada. A lot of other girls lived there also.

There was nothing better than going home to Leslie after a hot, dusty day busting my ass in the saddle. At least that's how I could imagine my day at work as having been. After all, in my real life writing computer code could be such a mindless job at times that daydreaming was built into it.

Parking my car in the apartment lot, I'd actually feel saddle sore as I climbed the stairs to my door; but the stairs in my mind were back in the old West.

Leslie would be there too. A tall, healthy, strapping chick, she'd be wearing her gingham dress, the one cut extremely low in the front to reveal a tantalizing glimpse of her tits when she'd bend over. Today her hair was in a long brown braid that reached halfway to her waist. She had a look in her eyes that told me she wanted it, and wanted it bad.

The look of naughtiness in her eyes would trigger a smile on her face as my growing dick was uncovered. Leslie unbuttoned the top five buttons to her dress and slipped it off her shoulders, baring her generous breasts. Before I could move closer to touch her, she bent at the waist, hoisted her floor-length dress up over her ass and knelt down on the hardwood floor. She'd turned her back on me so that the naked flesh of her curvy ass faced me. She opened her legs and lifted her ass.

"Take me. I'm ready, now," she said. "Hard and fast."

Eagerly I got between her legs, pulling her ass higher into the air so that I could get the view of her sweet, moist pussy that I wanted to see. She was ready, too. Her open-

ing's moisture spread out onto her quivering pussy lips.

She moaned when I grabbed her long braid of hair like a rein. "Ride me. Fuck me!" she begged.

I slapped her ass gently with my left hand and then quickly thrust my cock into the well-primed pussy that Leslie offered. Her cunt invited no resistance and from the sounds she made I knew she was close enough to coming for me to fuck her as hard and as fast as I could.

I groped for her tits but Leslie began raising her ass in protest. She wanted long fucking strokes; there was no time for caressing. I released her tits to concentrate on the speed of my cock. There wasn't a better way in the world to blow off steam than a fast, hard fuck in the saddle.

My hands tightly gripped Leslie's hips and I started pounding her. The slap of my abdomen into her ass seemed loud, like slapping punches, but these only brought pleasure not pain. The quick power of my cock sent us both flying; it made us each want to scream out loud.

Our minds became totally possessed by the thrills in our loins; there was nothing that could possibly distract us from that hard, rapid pulsing between our legs that already had us anticipating the waves of pure pleasure to come.

My breath became short gasps; the end was that near. Finally Leslie began to scream those wild, uncontrollable, orgasm-filled screams as her climax rocked her body. Meanwhile, my cock came to a head in an instant and the cum blew powerfully out of me like a gushing oil well, filling her womb with hot volleys of semen.

We were each panting as we fell in a heap of naked flesh and discarded clothing on the floor. I closed my eyes, feeling completely satisfied. Leslie had been exactly what I'd needed: a fast fuck that would blow off my boredom and make life exciting. If I'd have come home to a girlfriend or wife, what would my chances have been to completely satisfy her and me with a slam-bang, no-foreplay, and no-tenderness fuck? Not good. Leslie, therefore, was the perfect answer to my problem.

My fantasies are unlimited. My custom-ordered partners will not only do exactly what pleases me most at that minute, but I have an Infinite choice of partners. A fantastic group experience came out of a fantasy where I imagined I was a fashion photographer doing a photo shoot with three high-fashion models wearing the hottest skimpy lingerie.

I pictured my living room as a studio with different-colored backdrops hanging from the ceiling. Allison strutted into the room first, her boobs bouncing enticingly underneath the t-shirt tucked into her short-shorts. Julie and Mara followed, their bodies equally as enticing. When I told them to get into the black lace chemises, none of them bothered to use the dressing room. They each boldly stripped in front

of me.

Mara had the largest tits of the three and the other two girls took more than a professional interest in them. Julie didn't hesitate to run her fingers around Mara's soft, puffy nipples, exciting them into tight circles. Allison helped Mara into her chemise, holding the slim-hipped girl firmly by the waist while she stepped into the frilly lingerie. Julie helped fasten the three buttons up the back of the short gown.

The sight of the two naked models sensually dressing the third was sexier than anything I'd ever seen. It was obvious what Allison and Julie would like to do with Mara, but she remained totally passive. Her long, thin eyes were expressionless as her tanned, slender thighs and rounded, startlingly white breasts were so lovingly stroked.

Allison and Julie dressed one another as they had Mara, taking extra time when near the other's breasts or pussy. Julie giggled when she pulled her own panties snugly into her crotch.

I began to wonder if any of them were getting wet at the thought of posing with the two other girls. I told them to all step into the frame together. Allison and Julie took positions on opposite sides of Mara. Immediately they began stroking the girl's long, curly hair, rubbing their bare thighs against hers.

Mara stood still for the longest time, looking perfectly beautiful, like a goddess frozen into a statue. The other two increased the sensuality of their touches, slipping their fingers inside the seams of her chemise, lightly glancing over her mound and breasts. Julie slipped Mara's straps down her arms while Allison removed her cotton panties. All the time I was photographing this spontaneous scene, which was hotter and steamier than anything I'd ever imagined.

My cock was pushing hard at my pants. It got a further pulse when

Mara finally let out a long, passionate sigh, releasing whatever feelings she'd been holding back as her hands moved tensely to her own pussy.

Allison and Julie eased her down onto the floor, kissing every inch of her body. Mara's fingers exposed her pussy toward me, spilling her juices over her thighs. I began photographing them, my finger pushing rapidly on the shutter, burning erotic images into the film.

Julie stood and came to me, undoing my jeans. She moaned and gripped my cock firmly in her hands. She called for Allison and Mara to look at her effect on me. When Mara saw me, she began moaning loudly "Yes, yes!"

Julie led me toward her partners. She and Allison each took one of Mara's legs and spread her, scissoring the model's cunt in front of me like a hot spring waiting to erupt. "Take her," Julie ordered.

I dived onto Mara, grasping her tits by the erect nipples as my cock homed in on her hot, wet flesh. I

penetrated her, pumping in and out. Allison and Julie joined in and we all touched each other freely—stimulating, caressing, stroking. Moans came from everywhere as we each approached our separate climaxes.

Mara was first. Her hips pistoned powerfully into mine, her ass rotating wildly as her mouth opened as widely for my tongue as her cunt had for my dick. Her rushes peaked and lessened; she became still beneath me as I felt my orgasm sweeping in.

Ready to pump her full of cum, I felt Julie urging me to pull out so she could have me. She knelt in front of me, her mouth clamping around my throbbing cock. Allison finished herself off and fell onto Mara as Julie sucked my cock dry with a vacuum cleanerlike suction that blew my load deep into her throat.

My remaining blasts of cum were dribbling out of her mouth and down her chin and chest. The touch and smell of it alerted the two girls on the floor, who began lapping it up.

I fell to the floor, completely spent. My shoulder banged into a light, knocking it over. The room became totally dark; by the time I switched another light on, the girls were gone—as I knew they would be.

That's the way it worked, though. As soon as I had come, my imagination, which had created these wonderful girls, made them vanish without fuss, muss or promises. They weren't needed any more, but they weren't gone forever; only until I needed to cum again. As soon as that time came, my fantasy girls would return, and with no strings attached. That's probably the best part of my fantasy.

This method helped me with other—or should I say, real—women too. By acting out my fantasies in my mind, I could spend my time with real women, making their fantasies come true. And I became quite good at that. By pleasing myself I have plenty of time to please others. It's the best of both worlds.

Vanessa has been seeing this guy for some time. Every weekend has been a grand new adventure. She has a plan this time, and she has a surprise in store. Instead of hiking up in the mountains, or getting a hotel on a beach somewhere, they're gonna stay in and fuck all weekend. From the minute he arrives, she'll answer the door in her underwear, and once they're off they're not coming back on.
